Great Writing, Great PublicationVon Ein KundeNewman is a consummate rhetorician and compelling author, who, at a century after his death, remains one of the most influential religious authors. Newman wrote so many fine books, but his plain and parochial sermons, while he was still and Anglican, are among the best. This one-volume, completely reset edition, contains nearly 180 sermons. Most of the sermons are designated by their time given in the liturgical year, making it an excellent companion to liturgical lectionaries. One sees the keen mind of Newman operating at his most basic level, that of a parish priest. It's arresting at every fold, and a treasure and resource one will revisit with

Newman Masterfully Blends Doctrine With the Spiritual Life Von Ein Kunde In these sermons Newman shows that the ultimate purpose of Church Doctrine is to grow in the spiritual life--to attain unity with God amidst the lures of the world. In addition, the themes he touches on are so contemporary for this day that you'd think he had written them yesterday. Newman demonstrates that the truths of the Christian faith are timeless. Ignatius Press has given a great gift to the United States by putting 8 volumes of Newman's sermons together in one volume. It is a beautifully bound volume that will stand the years of reading and rereading it will get. My only criticism is the small size of the font used. However, if it was any bigger the number of sermons would shrink considerably.

Kurzbeschreibung All eight volumes of Newman's famous sermons are brought together in this edition that is beautifully printed and bound on Bible paper with a hardcover and red ribbon. Newman's sermons are as powerful, fresh and challenging today as when he first gave them. The topics that Newman covers are ones central to Christianity and salvation. Newman once again demonstrates his profound understanding of human psychology, and the temptations and trials we encounter as Christians in the world. This deluxe edition is a magnificent work of timeless inspiration and illumination for every generation of Christian readers. 191 sermons in total. "These sermons are given here, for the first time in a single volume, as the most lasting expression of Newman's own gradual discovery of all the fullness of the appeal and the challenge addressed to all men by Catholic truth and Catholic life, inseparable as they are within genuine Christianity. There, above all, he himself will be found, with his intellectual power, his poetical vision, as well as his moral and spiritual integrity. Nothing can constitute for us, still today, and maybe today more than ever, such a powerful introduction to what Christianity may give to and expect from our surrender to its call in the midst of a world no longer pretending to be Christian." - Fr. Louis Bouyer, C.O.
