Von Elie Wiesel : Passover Haggadah: As Commented Upon By Elie Wiesel and Illustrated b (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Passover Haggadah: As Commented Upon By Elie Wiesel and Illustrated b (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. a passover haggadahVon michael a. marispinifantastic! a true eye opener! a cute book with really neat and fun information! this book will explain a lot about tradition and passover!

KurzbeschreibungA Passover Haggadah, enhanced with more than fifty original drawings, Elie Wiesel and his friend Mark Podwal invite you to join them for the Passover Sederthe most festive event of the Jewish calendar. Read each year at the Seder table, the Haggadah recounts the miraculous tale of the liberation of the Children of Israel from slavery in Egypt, with a celebration of prayer, ritual, and song. Wiesel and Podwal guide you through the Haggadah and share their understanding and faith in a special illustrated edition that will be treasured for years to come.

Accompanying the traditional Haggadah text (which appears here in an accessible new translation) are Elie Wiesel's poetic interpretations, reminiscences, and instructive retellings of ancient legends. The Nobel laureate interweaves past and present as the symbolism of the Seder is explored. Wiesel's commentaries may be read aloud in their entirety or selected passages may be read each year to illuminate the timeless message of this beloved book of redemption..deA Passover Haggadah, retelling the Exodus of the Children of Israel from Egypt, guides families every year through their Passover Seder. A Passover Haggadah faithfully renders the entire text of story, prayer, and song, with commentary by Elie Wiesel. Expertly interwoven, Wiesel's commentary (recalling memories of his own boyhood Seders and reflecting on Israel's place in the modern world) may be read aloud, along with the traditional text, in whole or in part. Drawings by Mark Powdal add joyous, fearsome, and poignant moments to the reader's experience throughout. At the beginning, just before the recitation of the Kiddush, one illustration depicts a contemporary Seder table whose length stretches into a path crossing a huge picture of the desert of ancient Egypt. The scene in the book is the beginning of the journey, the table is the destination, and, with this beautiful Haggadah, the story continues among us. --Michael Joseph Gross
