Von Jane Holligan De Diaz-Limaco : Peru In Focus: A Guide to the People, Politics and Culture (In Focus Guides) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Peru In Focus: A Guide to the People, Politics and Culture (In Focus Guides) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Peru in nut-shell Von Marja-Liisa Hirn This is a really good book for anyone who wants to to know the basics about Peru. Well

written, interesting, compact, up-to-date. It is not a travel guide, really, but as the title says "a guide to the people, politics and culture". Easily read in one night, after which you know if you want to know more or not. A perfect starter's book.

Kurzbeschreibungplease enter product descriptionKurzbeschreibungplease enter product descriptionSynopsis Peru is perhaps one of the most dramatic and unpredictable of all Latin American countries. Blessed with natural wealth and historical sites, it is also cursed by widespread poverty and a legacy of political violence. A gulf separates the westernized elites of Lima from the indigenous majority of the Andean highlands, creating intractable social and political problems. A mix of landscapes and cultures, Peru contains the splendours of Machu Picchu as well as the horrors of Lima's shanty towns. Ancient Indian culture exists alongside US-influenced modernity, while dramatic political events keeps the country in the headlines. The book is part of the "In Focus" series of books aimed at students and independent travellers.
