Von Archbishop Averky (Taushev) : Struggle for Virtue: Asceticism in a Modern Secular Society before purchasing it in order to gage whether or not it would be worth my time, and all praised Struggle for Virtue: Asceticism in a Modern Secular Society:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. a good bookVon B.W.The book is well printed and of high quality pages. It is easy to read and has very nice virtues. However not strongly presented as I have expected it to be. Still recommend it.

Kurzbeschreibung Archbishop Averky is considered one of the great scholars of 20th-century Orthodoxy and this book brings to the English-speaking world his answer to the question "What is asceticism?" A bearer of the saving doctrine of the Patristic teaching, he steadfastly defended traditional Orthodoxy and passed on this teaching through his commentaries on Scripture and other works in the Russian language. In showing how evil is rooted out and virtue is implanted in the soul, Archbishop Averky counters the many false understandings that exist showing that the practice of authentic asceticism is integral to the spiritual life and the path to blessed communion with God.

Pressestimmen "Archbishop Averky was one of the last giants of 20th-century Orthodoxy . . . [He] was an Orthodox scholar in the unbroken tradition of patristic thought which has come down to us from the ancient Fathers to our own days." --Hieromonk Seraphim (Rose), author, "The Orthodox Word" Archbishop Averky was one of the last giants of 20th-century Orthodoxy . . . Hieromonk Seraphim (Rose), author, "The Orthodox Word" "I am not bold enough to pick a section that spoke to me more than the others, because it felt like they were all shouting at me, not in a bad way, but in a you can do better in your spiritual life way."
