Von Matthew Morris : Study Guide for 1Z0-051: Oracle Database 11g: SQL Fundamentals I (Oracle Certification Prep) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Study Guide for 1Z0-051: Oracle Database 11g: SQL Fundamentals I (Oracle Certification Prep)

(English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Alles WissenVon Ingo SchroederDiese Buch enthlt alles was man fr diese Prfung braucht. Damit erreicht amn aber nur 90 % der Fragen, okay man braucht eh nur 60% zum bestehen. Einige Fragen gehen nur ber das Wissen aus dem Umgang mit Oracle. Fr mich hat sich eine Oracle XE bewhrt, in der man verschieden Fragen ausprobieren kann.EIn Fragenkatalog wie er von verschiedenen Institutionen angeboten wird ist eine ideale Ergnzung.

KurzbeschreibungThis Study Guide is targeted at IT professionals who are working towards becoming an Oracle Database 11g Administrator Certified Professional. The book provides information covering all of the exam topics for the Oracle certification exam: "1Z0-051: Oracle Database 11g: SQL Fundamentals I".The books in the Oracle Certification Prep series are built in lockstep with the test topics provided by Oracle Education's certification program. Each book is intended to provide the information that will be tested in a clean and concise format. The guides introduce the subject you'll be tested on, follow that with the information you'll need to know for it, and then move on to the next topic. They contain no drills or unrealistic self-tests to bump the page count without adding value. The series is intended to provide a concentrated source of exam information that is compact enough to be read through multiple times.This series is ideal for experienced Oracle professionals that are familiar with the topic being tested, but want a means to rapidly reinforce their existing skills and bridge any gaps in their knowledge. It is also an excellent option as a second source of information for candidates pursuing certification.KurzbeschreibungThis Study Guide is targeted at IT professionals who are working towards becoming an Oracle Database 11g Administrator Certified Professional.
