Kurzbeschreibung Revelling in the off-beat and eccentric, Londoner Suggs takes us on a nostalgic adventure to explore the disappearing history of his extraordinary home town: from the sharp tailors of Saville Row to the sex traders of Bohemian Soho, by way of quaint and quirky habitats, brilliant but endangered boozers, unique eateries that have introduced the capital to the world's finest foods and a music scene that's dear to his heart. **Pressestimmen** In these Cowell-fuelled times, young musicians would do well to look to Suggs's historical delving -- **The Guardian** **Werbetext** Loosely based on the award-winning ITV series *Disappearing London*, Madness front-man Suggs takes a journey through the main drags and side streets of his beloved London town and uncovers its hidden treasures
