MenschenkriegerVon KuferGeschrieben aus britischer Sicht in einer Art, die beiden Seiten gerecht wird.Im Mittelpunkt steht der Mensch, Mnner und Frauen, beider Seitenauf unterschiedlichsten Positionen.Ihre Motive, ihr Mut,ihre ngste, ihre Feigheit,ihre Verrohung und ihre Gre.Auf beide Seiten kommt es unabhngig voneinander zu Greueltatenzu Land, in der Luft und zu Wasser.Sprachlich lsst der Autor den Leser fhlen, spren und leiden, wie es den Beteiligtendamals gehen mochte.Auch wenn das Buch konstruiert ist, ist es einerseits ein sehr spannender Roman,auf der anderen Seite, wird weder die eine noch die andere Seite glorifiziert oder verdammt.Die Personen sind keine

seelenlose Helden, sondern jeder wird zum Leben erweckt und man leidet mit ihnen. empfehlenswert

Kurzbeschreibung 1940. The Battle of Britain. In the skies over the Channel, young men were proving their courage to the enemy, to their comrades, and to themselves. And the R.A.F. and the Luftwaffe are in a fight to the death - with the future of Europe at stake. The British Officer Peter Knight and German Leutnant Erich Hafner have battled it out time and again and now they can identify one another's planes. For both men, the war has become personal. And each man is stalking his own special prey. As their final deadly showdown looms it starts to affect the whole of 172 Squadron. Will Peter manage to shoot down Erich and lead the British squadron to victory? Or will his personal vendetta end in disaster for the entire unit? 'Summer of No Surrender' is an action-packed war thriller pitting one man's personal mission against the fate of the Battle of Britain. It is perfect for fans of Alistair MacLean and Jack Higgins. Richard Townshend Bickers volunteered for the RAF on the outbreak of the second world war and served, with a Permanent Commission, for eighteen years. He wrote a range of military fiction and non-fiction books, including a biography of his friend "Ginger" Lacey, the top-scoring pilot in the Battle of Britain. Endeavour Press is the UK's leading independent publisher of digital books.
