Ogden (deogden3@strato.net) I have been a Christian for over forty years. I have always been taught and believed that God speaks today ONLY through the Bible. In a gracious and loving way, Dr. Deere makes the inarguable case for a God Who speaks in MANY ways today, even as He has since the Creation. I can't find words to express how important this teaching has been to my personal relationship with God through the Lord Jesus. The potential for growing intimacy and open, two-way communication with my loving Lord fills me with hope, encouragement and excitement. I am in full-time Christian ministry (pastor of a small evangelical congregation) and I desperately needed this fresh word from God. It has been humbly and articulately presented in a very down-to-earth, yet intelligent fashion by this gifted and devoted brother in Christ. All who have--or LONG to have--a passion to KNOW the Lord Jesus, MUST read and prayerfully consider the teachings of this tremendous book.2 von 2 Kunden fanden die folgende Rezension hilfreich. \*\*\*\*\*A book you'll read over and over\*\*\*\*\* Von Jeffrey A. Cleveland I just finished reading Surprised by the Voice of God for the second time and it won't be the last! As someone coming from a similar church background as Jack Deere, I found it extremely helpful that this was foremost a biblical treatment of the topic and THEN the author's opinion and experience. I also appreciated the balance of instruction on how God speaks and the warnings of possible "Prophetic Pitfalls." I consider this an essential book for anyone who desires to hear from God.0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent! provides a map to lead one to the truth Von Alan L. Wood (haywood5@aol.com) Jack has captured the essence of the true power Jesus intended for us as believers to use to His glory. So often Christians live a life of defeat. Willing to allow Satan to deceive them into the lie that God doesn't speak and that only the Apostles had power from on high. Jesus promised us that we would do greater things than He and through the voice of God and the power of the Spirit it is done. Thanks to Jack for his boldness to declare the marvelous promises of God.

Kurzbeschreibung If You Believe Miraculous Gifts Have Ceased, You're in for a Big Surprise! What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today? What convinced someone skeptical about miracles that God still speaks and heals? A dramatic change took place in Jack Deere's life when he took a fresh look at the Scriptures. He discovered that his arguments against miraculous gifts were based more on prejudice and lack of personal experience than on the Bible. As soon as Deere became a seeker instead of a skeptic, the Holy Spirit revealed himself in new and surprising ways. In Surprised by the Power of the Spirit, Deere provides a strong biblical defense for the Spirits speaking and healing ministries today. He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way. Finally, he gives sound advice for using spiritual gifts in the church. Written in a popular style, with the care of a scholar but the passion of personal experience, this book explores: - The real reason Christians do not believe in miraculous gifts - Responding to Charismatic abuses - Were miracles meant to be temporary? - Why God still heals "Must reading for all Bible-believing Christians. I wish with all my heart I could place it in the hands of every conservative evangelical." - James Robison, Life Outreach International Kurzbeschreibung If You Believe Miraculous Gifts Have Ceased, You're in for a Big Surprise! I wish with all my heart I could place it in the hands of every conservative evangelical." - James Robison, Life Outreach International Synopsis "Surprised by the Voice of God" takes you to the Bible to discover the variety of creative, deeply personal ways God still communicates with us today. You'll learn how God speaks with people apart from the Bible, though never in contradiction to it. Jack Deere first describes the ways God revealed his thoughts to first-century Christians. Then, he tells why God continues to speak to us using the same methods. Finally, Deere tells how accurately God speaks through prophecies, dreams, visions, and other forms of divine communication. With candor, sensitivity, and a profound understanding of Scripture, Deere identifies our hindrances to hearing the Holy Spirit and calls us beyond them to a more intimate relationship with God. Filled with fascinating stories and personal accounts, "Surprised by the Voice of God" is for all who want to walk in the dynamic scope of Christianity.
