A real tribute to the men who fought for the ConfederacyVon alma dean cleveThis book tells the real story of the brave men who fought and died for a cause they believed in. The author has done a great job of telling their story, a story that

needs to be preserved. I enjoyed this book very much.

KurzbeschreibungBased on a 1912 publication about Texans who fought for the South in the Civil War, Texas Boys in Gray presents a collection of fascinating remembrances of those who were there. Sometimes humorous and sometimes heartbreaking, the experiences of these men are documented as a tribute to Texas war veterans. Texas Boys in Gray captures, in their own words, the patriotism, the fear, the confusion, the bravery, the terrible wounds, the desperate hunger, the camaraderie, the horrible prison conditions, and the joyful reunions that were all part of that historical time.
PressestimmenWith annotations by Boswell, the book is the next best thing to the scarce original.--Mike Cox "Austin American Statesman "
