would never imagine... Von Ein Kunde God's word is timeless, without flaw or inconsistency... imagine if Christians could be that way. Ray Baughman has put together an excellent self/group study of God's purpose and plan for born-again believers. The spiritual babe needs a path when they enter this walk... and although this text was published in 1959... it too is timeless. I encourage each you to embrace this book for yourselves or group study. Many older Christians will find themselves humbled by the accuracy of the text and convicted by the wisdom of God. God Bless!

It has short, descriptive, and simple to read and understand chapters. Each chapter has a series of questions for review and challenge. It takes a "young" or "old" christian to further maturity.

Kurzbeschreibung Designed to involve the individual in systematic Bible study, these twelve well-organized lessons trace the Christian life from conversion to maturity. The illustrative drawings, helpful review questions, and suggested Bible memory verses are valuable for personal research -- and for group discussions. The Abundant Life analyzes the basics of the Christian experience one at a time, picturing them as physical actions. For example, it compares Bible study to eating, prayer to talking, forgiveness to washing. These simple analogies make the material easy to understand. An effective tool for evangelism or individual study, The Abundant Life points out the how-to of obtaining and enjoying a meaningful relationship with God.
