Schn gemachtVon MamilovesyouDas Abenteuer von Tom Sawyers wurde hier toll zusammengefasst und neu geschrieben fr jngere Kinder. Hab es meinem fnfjhrigen Sohn vorgelesen. Er fand es toll. Und ich hoffe er bekommt Lust irgendwann das Original selbst zu lesen....0 von 0 Kunden fanden die folgende Rezension hilfreich. Liebenswert - lesenswertVon Burkhard SchultenIch wei nicht, wie oft ich als Kind und Jugendlicher den "Tom Sawyer" gelesen habe. Hier liegt eine sehr gute bersetzung vor, besser als manche "Kinderversion". Was die Freude trbt, ist die Art des Vortrags, die Vorlesende spricht -fr mich und mein Empfinden- zu schnell. Und das mindert den Hrgenu gewaltig, ja verdirbt ihn fast.Es gibt auch kein Booklet mit Informationen zum Thema bersetzer/in oder Titelangaben, lediglich Werbung. Auch nicht gut.Daher nur drei Sterne.Vielleicht sollte ich besser beim wirklichen Lesen bleiben...0 von 0 Kunden fanden die folgende Rezension hilfreich. Mark Twain als Meister der ErzhlkunstVon Lieblingstante ;)Die Lebendigkeit der Handlung und Figuren ist unvergleichlich. Man taucht vllig ein in die Zeit und Gefhlswelt der Protagonisten und riecht das Lagerfeuer und sprt die khle Nachtluft oder die Hitze des Tages. Vielleicht aus heutiger Sicht in manchen Dingen befremdlich, fast fiktional, aber in jedem Fall sprbar authentisch.Man sollte unbedingt auch die Fortsetzung bzw. den 2. Teil lesen! KurzbeschreibungAbout The Adventures of Huckleberry Finn by Mark TwainHow is this book unique?E-reader tablet formatted, Font Adjustments100% Original contentUnabridged EditionAuthor Biography InsideIllustrations includedAdventures of Huckleberry Finn (or, in more recent editions, The Adventures of Huckleberry Finn) is a novel by Mark Twain, first published in the United Kingdom in December 1884 and in the United States in February 1885. Commonly named among the Great American Novels, the work is among the first in major American literature to be written throughout in vernacular English, characterized by local color regionalism. It is told in the first person by Huckleberry "Huck" Finn, a friend of Tom Sawyer and narrator of two other Twain novels (Tom Sawyer Abroad and Tom Sawyer, Detective). It is a direct sequel to The Adventures of Tom Sawyer. The book is noted for its colorful description of people and places along the Mississippi River. Set in a Southern antebellum society that had ceased to exist about twenty years before the work was published, Adventures of Huckleberry Finn is an often scathing satire on entrenched attitudes, particularly racism. Perennially popular with readers, Adventures of Huckleberry Finn has also been the continued object of study by literary critics since its publication. It was criticized upon release because of its coarse language and became even more controversial in the 20th century because of its perceived use of racial stereotypes and because of its frequent use of the racial slur "nigger", despite strong arguments that the protagonist and the tenor of the book are anti-racist..deMark Twain's classic novel, The Adventures of Huckleberry Finn, tells the story of a teenaged misfit who finds himself floating on a raft down the Mississippi River with an escaping slave, Jim. In the course of their perilous journey, Huck and Jim meet adventure, danger, and a cast of characters who are sometimes menacing and often hilarious. Though some of the situations in Huckleberry Finn are funny in themselves (the cockeyed Shakespeare production in Chapter 21 leaps instantly to mind), this book's humor is found mostly in Huck's unique worldview and his way of expressing himself. Describing his brief sojourn with the Widow Douglas after she adopts him, Huck says: "After supper she got out her book and learned me about Moses and the Bulrushers, and I was in a sweat to find out all about him; but by and by she let it out that Moses had been dead a considerable long time; so then I didn't care no more about him, because I don't take no stock in dead people." Underlying Twain's good humor is a dark subcurrent of Antebellum cruelty and injustice that makes The Adventures of Huckleberry Finn a frequently funny book with a serious message..co.ukA seminal work of American literature that still commands deep praise and elicits controversy, The Adventures of Huckleberry Finn is essential to the understanding of the American soul. The recent discovery of the first half of Twain's manuscript, long thought to be lost, made front-page news. And this unprecedented edition, which contains for the first time omitted episodes and other variations present in the first half of the handwritten manuscript, as well as facsimile reproductions of thirty manuscript pages, is indispensable to a fuller understanding of the novel. The changes, deletions and additions made in the first half of the manuscript indicate that Mark Twain frequently checked his impulse to write an even darker, more confrontational book than the one he finally published.
