KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. An instant classic!Von Ein KundeThis book is a long overdue survey of the urban experience in the first literate society.

This work goes beyond the 'origin of cities', to tell us how they worked, and what really went on! Informative and accessible, I would recommend this book to anyone with an interest in ancient history.

KurzbeschreibungUrban history starts in ancient Mesopotamia. In this volume Marc Van de Mieroop examines the evolution of the very earliest cities which, for millennia, inspired the rest of the ancient world. The author argues that the city determined every aspect of Mesopotamian civilization, and the political and social structure, economy, literature, and arts of Mesopotamian culture cannot be understood without acknowledging their urban background. *Pressestimmen* Knowledgeable * Journal for the Study of the Old Testament * KurzbeschreibungUrban history starts in ancient Mesopotamia.
