Excellent presentation of Christian eschatology (Last Times)Von Ein KundeHoekema delivers a very comprehensive, articulate, and biblical presentation. For Christians who are familiar with the different views of the millenium, his view

is one of Amillennialism. Even if one does not agree with his disposition one will agree that his is well stated and honestly biblical in approach (whether completely accurate or not only God can reveal...and He will). Using his model of "already/not yet" for the Kingdom of God, the reader is in for an illuminating ride through the Scriptures in an attempt to come to a well-balanced eschatology. For anyone interested in Christianity of the Reformed ilk this is a classic work on the issue. Consistent, readable, and incredibly insightful, "The Bible and the Future" will instruct and inspire all Christians and offer hope and grace to those who aren't....yet.0 von 0 Kunden fanden die folgende Rezension hilfreich. OutstandingVon Ein KundeThis is the best book on eschatology I have ever read. I keep turning to it again and again. It contains in-depth exegesis of most of the major passages. There are places where Hoekema seems to be too much of a slave to the Dutch Reformed tradition (such as his interpretation of Romans 11:26), but overall his exegesis is very sober and balanced. The writing is excellent and very easy to read. Hoekema interacts with other positions in a very fair and irenic manner. Even if you aren't amillennial, you need to read this book.0 von 0 Kunden fanden die folgende Rezension hilfreich. Clears the air and brings sanity for the sanctifiedVon Shawn Doud (sdcelt@hotmail.com)Hoekema has done the Church a service in his trilogy (Made in God's Image, Saved By Grace, and now the Bible and the Future). He has done solid exposition, exposed erroneous doctrinal systems such as Premillennial Dispensationalism, and sent believers and non-believers alike back to the Scriptures and back to the worship of the Saviour. His explanation of amillennialism is clear and convincing. Read this before any of the sensationalist end-times/rapture/tribulation genre.
