Von Baldassare Castiglione : The Book of the Courtier (Dover Value Editions) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of the Courtier (Dover Value Editions):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Glimpse of Italian Renaissance Court LifeVon Jordan Rthis candid look into 16th century italian court lfe as presented by Castiglione delivers a most interesting look at the renaissance period. castiglione, along with others attempt to portray and describe both the perfect courtier and the perfect woman. over 490 years after first published, this work still serves as a renaissance classic

Kurzbeschreibung Widely acknowledged as the sixteenth century's most significant handbook on leadership, *The Book of the Courtier* offers an insider's view of court life and culture during the Renaissance. Set in 1507, when the author himself was an attach to the Duke of Urbino, the book consists of a series of fictional conversations between members of the Duke's retinue. All aspects of leadership come under discussion, but the primary focus rests upon the relationship between advisors and those whom they counsel. Ever-relevant subjects include the decision-making process, maintaining an ethical stance, and the best ways of interacting with authority figures. Frequently assigned in university courses on literature, history, and Renaissance studies, the Dover edition of this classic work will be the lowest-priced edition available.
