Von Thomas Malory : The Boy's King Arthur before purchasing it in order to gage whether or not it would be worth my time, and all praised The Boy's King Arthur:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A true timeless classic!Von Ein KundeMy father first began reading to me from this book when I was just a wee lad. The stories of honor, courage and chivalry, as well as the "forsooth" writing style en-thrilled me in the magical mystery surrounding Arthur and his knights. I believe that the stories read to me as a child went on to shape me into the person

I am today. I encourage all parents to by this book as bedtime reading for their children. Turn down the lights, and let the past come alive! A wonderfully romantic tale for the young at heart as well!

Kurzbeschreibung This early work by Sir Thomas Malory is both expensive and hard to find in its first edition. It contains the stories of King Arthur and the Knights of the Round Table. This is a fascinating work and thoroughly recommended for anyone interested in the legend of King Arthur. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
