Von Bob Woodward, Scott Armstrong : The Brethren: Inside the Supreme Court (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Brethren: Inside the Supreme Court (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. One of the most fascinating books I've readVon Ein KundeGives an amazing insight into what went on in the Supreme Court in the past few decades, particularly the interaction between the law and the individual judges' quirks and personal

opinions. The Justices are portrayed in all their flaws, and it's amazing to watch the seemingly haphazard process produce results, as much through personal politics as through actual legal decisions! A must read. 1 von 1 Kunden fanden die folgende Rezension hilfreich. The veil is removed Von Ein Kunde Few nonfiction books combine intimate details, startling information, and humor as well as this one. In *The Brethren*, the reader will make discoveries about the Supreme Court that he will never have fathomed: the Justices are fallible; there is bickering, politics, and lobbying when making decisions; they joke about pornography; the clerks have a secret society, etc. It is guaranteed to open the reader's eyes to a world that he never could have imagined existed. And I recommend the book even to those who have a slight interest in the law. Additionally, there are guaranteed laughs (and I mean HUGE laughs) from both the subtle and not so subtle humor that is sprinkled throughout. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Puts the Supreme Court in a new light, the best of its kind! Von Ein Kunde A wonderful look at what goes on behind the scenes. The justices are seen in a new light. Its one of a kind.

Kurzbeschreibung *The Brethren* is the first detailed behind-the-scenes account of the Supreme Court in action. Bob Woodward and Scott Armstrong have pierced its secrecy to give us an unprecedented view of the Chief and Associate Justices maneuvering, arguing, politicking, compromising, and making decisions that affect every major area of American life. **Pressestimmen** "Explosive...The most controversial book on the Supreme Court yet written." -- Los Angeles Times **Book** "Fascinating. The pace is swift, with details that rivet the attention." -- The Washington Post **Book World** "A provocative book about a hallowed institution...It is the most comprehensive inside story ever written of the most important court in the world. For this reason alone it is required reading." -- BusinessWeek "It is to the credit of Woodward and Armstrong that they were willing -- and able -- to shatter this conspiracy of silence. It is certainly in the highest tradition of investigative journalism." -- Saturday "One hell of a reporting achievement." -- The Village Voice "The year's best political book." -- New York Post **Kurzbeschreibung** *The Brethren* is the first detailed behind-the-scenes account of the Supreme Court in action. Bob Woodward and Scott Armstrong have pierced its secrecy to give us an unprecedented view of the Chief and Associate Justices maneuvering, arguing, politicking, compromising, and making decisions that affect every major area of American life.
