Arena"-Rede bekannt. Dieses Buch offenbart jedoch den Teddy in seiner vollen Größe. Jedes der Zitate ist nach Themenbereich sortiert, so kann man schnell finden was TR zu den verschiedensten politischen, militärischen, kulturellen oder spirituellen Themen sagte. Ich würde das Buch jedem weiterempfehlen, der sich für amerikanische Geschichte interessiert und besonders für Fans von Präsident Theodore "Teddy" Roosevelt (wie mich :-)) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent Collection and Arrangement of T.R.'s Quotes Von Ein Kunde This will provide all T.R. fans with a quick reference to many quotes by this great man. The topical arrangement allows the reader to get an overview of T.R.'s thoughts on a variety of subjects. The photographs interspersed throughout the book are also a very nice touch. Well Done. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great little TR book Von John M This book of TR's maxims is a wonderful little reference to have. I keep it in the bathroom for quick reading, and I'm never disappointed!

Kurzbeschreibung President Theodore Roosevelt left his mark on every facet of American life, including, quite colorfully, its language. Here, in a single volume, are not only his best "Teddyisms" "hyphenated America," "muckraker," "the square deal," "the lunatic fringe," "good to the last drop," and many others and lost words, but also the best of Roosevelt's most memorable quotations, which serve to illuminate every area of our culture: Americans; boxing; citizenship; conservation; courage; death; democracy; extremists; family values; football; government; heroism; history; hunting; leadership; liberty; patriotism; power; religion; war and peace; winning; women's rights; and much more. **Kurzbeschreibung** President Theodore Roosevelt left his mark on every facet of American life, including, quite colorfully, its language.
