KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An Excellent ReadVon Candice LA sad but all too common occurrence in today's United States Coast Guard. A U.S. Coast Guard commander blows the whistle on a sexual assault and later on the corruption and misconduct perpetrated at the highest levels to include abuse of authority, witness tampering, falsification of official investigation reports and ultimately retaliation. Sounds like a movie plot, but the case outlined here pulls back the curtain of exactly how senior U.S. Coast Guard leadership ruins anyone who has the courage to stand for what is right. While this commander's career was destroyed, those who took action against him were ALL rewarded for their retaliatory actions: VADM Zukunft promoted to Commandant, area chief of staff, Capt. Matt Bell, nominated for RADM, area operations chief, Capt. Tom Crabbes, promoted to area chief of staff, U.S. Coast Guard JAGs and CGIS investigators walk away scott free never held accountable for their transgressions and violations of the law and United States Constitution. A must read for anyone who wants to see the ugly truth about an organization that claims to be a law enforcement agency.

KurzbeschreibungGeneral David Petraeus, a 4-star general with over 37 years in the military, was the most senior officer to be prosecuted during the politically correct era between 2008 and 2016. He was a West Point graduate and former Director of the CIA. The 62 year old General Petraeus pled guilty to one misdemeanor charge of mishandling classified information and was sentenced to a fine of \$100,000 and probation for three years. How could such a celebrated general be treated so badly? Well, he was not alone. He was just one of many distinguished senior officers to be purged from all branches of the military services during that period. What was a noticeable purge of commanders, by 2009 had topped 197. Why were these officers being fired? From dereliction of duty to not saluting properly, there was much speculation. Other reasons given were leaving blast doors on nukes open, and loss of confidence in command ability to mishandling of funds to inappropriate relationships to gambling with counterfeit chips to inappropriate behavior to low morale in troops commanded to politically incorrect speech. Commander Benjamin Strickland, U S Coast Guard was caught in this web of insanity. There was Army Gen. David D. McKiernan, the first 4-star relieved since Truman relieved MacArthur; and, Army Gen. Stanley McChrystal, the Overall commander Afghanistan who was replaced by Gen. Petraeus; Cmdr. Derick Armstrong, Commander, guided missile destroyer USS The Sullivans; Cmdr. Joseph E. Darlak, Commander, USS Vandegrift; Cmdr. Jon Haydel, Commander, USS San Diego; Cmdr. Diego Hernandez, Commander, ballistic-missile submarine USS Wyoming; Cmdr. Michael Ward, Commander, USS Pittsburgh; and, Cmdr. Jeffrey Wissel, Commander, of Fleet Air Reconnaissance Squadron 1. Not all of the victims wore the military uniform. There was Jeffrey Sterling a former CIA Officer and whistle blower. To this day the list continues to grow. The Unrestricted Coast Guard Chronicles (UCGC) are a series of bio epics of interesting and sometimes strange events in the lives of Coast Guard personnel. They contain information about the Coast Guard, its Roles and Missions, including biographies, and histories of nautical subjects. The founder is Judge London Steverson, United States Administrative Law Judge (Retired), and LCDR, USCG (Retired).
