Passionate, Loving, and InspiringVon Ein KundeIn, *The Church That Never Sleeps*, Matthew Barnett takes the reader on his journey of planting and growing the LA International Church. You sit with him in his lonely office as he contemplates ways to reinspire his small congregation. You walk past him on your way down the street the day he moved his desk in front of the church building in order to converse with those walking by. You get excited along with him as the church begins to grow and reach out to the surrounding community. You scratch your head with amazement as he considers purchasing a 400,000 square foot hospital building that has been vacant for 9 years. You participate with several of the 180 ministries of the church. Finally, you rejoice. You rejoice because of the tremendous work God has done and is continuing every day at the LA International Church...serving, loving, and pointing people to Jesus...an incredible journey!

Von Bracy WilsonPastor Matthew wrote a touching and eye opening book about the struggles of starting a church in the inner city. It was great reading and the humility of Pastor Matthew showed through on every page. The LA International Church and the Dream Center Story will expand your own dreams.

KurzbeschreibungIt began when a small group of believers stepped out in faith-against all odds-and claimed the Queen of Angels Hospital in downtown Los Angeles for the cause of Christ. Now 200 different ministries in the Los Angeles International Church reach out to thousands of residents. Innovative programs minister to AIDS victims, the homeless, battered women, drug and alcohol addicts, and abused children-offering hope and a chance for a better life. The Church That Never Sleeps shows how God can use this incredible ministry as a model to make dreams come true in neighborhoods across the nation.
