A Self Guided Text Von Brenda Hewitt while we used this book as a text for our class in lobbying at George Washington University's Graduate School of Political Management, I would recommend it to anyone who wants to lobby congress. It gives a good basic understanding of the steps and tips on how to find a good lobbyist if you decide you need more

help.

Kurzbeschreibung Individuals and grassroots organizations interested in becoming involved in petitioning their government will discover essential information on the techniques and laws to lobbying in this clear and enlightening guide. New lobbyists will learn how to best craft and direct their messages so that their concerns will be heard, make congressional contacts, get the most out of letter-writing campaigns, generate press, give campaign contributions, and even get invited to testify before congressional committees. This resource details the most recent lobbying laws, including the Federal Election Campaign Act amended in 2002, as well as a list of appropriate gifts to give to a member of Congress or their staff. This revised edition contains updated chapters and resources that will ensure that neophyte lobbyists will have the most up-to-date information when lobbying their government.
