**Von Appian : The Civil Wars (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Civil Wars (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Aus Mangel an (bezahlbaren) Alternativen...Von Kunde...habe ich mir halt diese Ausgabe besorgt. Sie enthlt alle 5 Bcher zum Brgerkrieg aus Appians weitaus umfangreichem Geschichtswerk.In einem groben Abriss ber die rmische Geschichte wird die Zeit von 133-35 v. Chr. behandelt. Der Schwerpunkt liegt auf den inneren Konflikten, die die spte Republik erschtterten whrend der politische Konsens der Nobilitt allmhlich zugrunde ging und zunehmends einzelne Individuen in den Vordergrund traten (etwa die Gracchen, Sulla, Caesar, Octavian/Augustus). Wer auf politische Intrigen und blutige Konflikte steht ist hier ganz richtig^2 von 3 Kunden fanden die folgende Rezension hilfreich. AmazingVon Jacob LamitieOne of the best comprehensive histories of the Roman civil wars. Contains almost

everything you want to know and more. A must for any Roman history fan or buff.

Kurzbeschreibung Appian's *The Civil Wars* chronicles the many civil wars of the Roman Empire, including the Catiline Conspiracy, Caesar's Civil War, and the Final War of the Roman Republic. This edition is translated by Horace White and includes a table of contents. Kurzbeschreibung Appian's *The Civil Wars* chronicles the many civil wars of the Roman Empire, including the Catiline Conspiracy, Caesar's Civil War, and the Final War of the Roman Republic. This edition is translated by Horace White and includes a table of contents. Synopsis Taken from Appian's *Roman History*, the five books collected here form the sole surviving continuous historical narrative of the era between 133-35 BC - a time of anarchy and instability for the Roman Empire. A masterly account of a turbulent epoch, they describe the Catiline conspiracy; the rise and fall of the First Triumvirate; the murder of Julius Caesar; the formation of the Second Triumvirate by Antonius, Octavian, and Lepidus; and brutal civil war. A compelling depiction of the decline of the Roman state into brutality and violence, *The Civil Wars* portrays political discontent, selfishness and the struggle for power - a struggle that was to culminate in a titanic battle for mastery over the Roman Empire, and the defeat of Antony and Cleopatra by Octavian in 31 BC
