**Von Jilly Cooper : The Common Years** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Common Years:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Jilly

Cooper day to day Von BB For all people with dogs who know about a certain routine, when you meet people on your daily walks. Some are more appreciate than others. The book may be a bit appalling for some, because keeping a dog or dogs in the Seventies was totally different. There was no Cesar Milan or Martin Rtter and dogs seem to have nearly no training or occupation. But anyway its an interesting book and if you like Jilly`s portion of humor this is a good book.

Kurzbeschreibung During the ten years she lived at the edge of Putney Common Jilly Cooper walked daily on this expanse of green. For most of the time she lived there she kept a diary, noting the effects of the changing seasons and writing about her encounters with dogs and humans. The book is a distillation of those diaries: an affectionate and enthralling portrait - warts and all - of life on Putney Common. Never has Jilly Cooper written more lyrically about flowers, trees, birds and the natural world; more tellingly about the sorrows - as well as the joys - of caring for dogs and children; or more outrageously about the gossip, illicit romances and jealousies of life in a small community. Pressestimmen "Miss Cooper's life is a curiously endearing mixture of Joyce Grenfell and August Strindberg - endlessly gracious neighbourly occasions undercut and made bearable by a home life of wonderfully chaotic neurosis and catastrophes - highlighted by sudden and marvellous insights into neighbours and former friends" (Sheridan Morley) "An entrancing book" (Lynda Lee-Potter Daily Mail) "A brilliant and beloved book and absolutely unputdownable" (Elizabeth Longford) "So observant... a delightful book" (Valerie Singleton Daily Express) Werbetext Life, dogs, nature, and scurrilous gossip - all on the edge of Putney Common.
