Just wanted what the title impliesVon BernieMost people that intend to purchase this product are already indoctrinated in its purpose and ideas. However, it is nice to have a copy for the finer details and any discussion that may come up. Unfortunately, I purchased this pamphlet before reading the reviews. Even if I had, I would not have believed them. All it took was one glance to realize that instead of what I purchased I received more opinions than substance. Shame on me. Do not make the same mistake and purchase this propagandist gobbledygook.5 von 5 Kunden fanden die folgende Rezension hilfreich. Good constitution - bad print!Von Das BchernrgelWhat has one of the pivotal documents of civilization done to deserve such a bad, bad physical form?This "book" (more a brochure, really) is badly printed, more than half the pages lack page numbers, the font size changes from page to page for no reason. The content may be fantastic, but this particular physical shape is definitely a no-buy.2 von 3 Kunden fanden die folgende Rezension hilfreich. Dieses Buch NICHT kaufen! Dieses Buch ist ein fake!Von Michael Carlos LangdonACHTUNG! Dieses Buch ist ein Print On Demand Buch, printed in Germany. Dies heißt, schlechte Qualität des Druckes, Rechtschreibfehler. Very confusing: Vorne im Einband steht : Printed in the United States, hinten auf der letzten Seite: Printed in Germany ? WTF? , you're kidding?

KurzbeschreibungThe most important documents of the United States of America are collected in this easy-to-read volume, which includes the Constitution of the United States of America, with all of the Amendments; The Declaration of Independence; the Articles of Confederation, and an appendix containing a list of the states by date of admission to the Union. Every citizen of the United States, student of history anywhere in the world, or anyone interested in understanding who we are as a nation should have and study a copy of these works. Primary Author: James Madison (Drafted the Virginia Plan) Origins: Proposed, Debated and Drafted at the Constitutional Convention in Philadelphia in the Summer of 1787. The meetings of the Convention took place at Independence Hall. The Constitutional Convention began its deliberations on May 25, 1787. All of the delegates were convinced that an effective central government with a wide range of enforceable powers must replace the weaker Congress established by the Articles of Confederation.Pressestimmen"Excellent . . . valuable and judicious." -Jill Lepore, The New YorkerKurzbeschreibungThe most important documents of the United States of America are collected in this easy-to-read volume, which includes the Constitution of the United States of America, with all of the Amendments; The Declaration of Independence; the Articles of Confederation, and an appendix containing a list of the states by date of admission to the Union.
