nicht islamischer Terrorismus, ist das Problem! Von Ein Kunde In seinem Buch, 'The Dawning of a New Dark Age: A Collection of Essays on Islam', zeigt uns Mark Alexander ganz klar, dass unsere Zivilisation bedroht ist -- bedroht vom Islam! Warum? Wegen 'Political Correctness', weil es uns nicht mehr 'erlaubt' ist, die Wahrheit zu aeußern, und unsere eigene Zivilisation zu erheben; wegen dem Ziel Islams, die ganze Welt zu erobern; und wegen dem Schweigen unsere Politikern, die neigen dazu, von uns die wahre Situation zu verbergen. Im Gegenteil, Mark Alexander schreibt ueber die Bedrohung Islams genau wie er es empfindet. Seine Schriftweise ist direkt und elegant. Es ist auch kurz und buendig. Mit diesem wichtigen Buch hat Mark Alexander uns ein Buch gebracht, das nicht nur schoen, sondern auch wichtig, zu lesen ist. Es ist ein wichtiges Buch fuer unsere Zeit!

Kurzbeschreibung THE DAWNING OF A NEW DARK AGE: A COLLECTION OF ESSAYS ON ISLAM by MARK ALEXANDER Kurzbeschreibung THE DAWNING OF A NEW DARK AGE: A COLLECTION OF ESSAYS ON ISLAM by MARK ALEXANDER ber den Autor und weitere Mitwirkende Mark Alexander is a graduate of London University. He has an honors degree in economics. Further, he has a Post-Graduate Certificate in Education with Distinction. As well as his native language, English, he speaks German fluently, reads French, and has a sound knowledge of Arabic. Over the years, articles of his have appeared on education, languages, and economics in British newspapers such as The Independent, The Times, and The Sunday Times. His international travel has widely influenced his world perspective. While living and working in the Middle East for many years until some 15 years ago, Mark's uncommonly perceptive observations and keen insights led him to predict the Islamic quest for domination which is only now being played out on the world stage. Mark Alexander is a Western author deeply concerned about the future of Western civilization. In The Dawning of a New Dark Age, Mark has written powerfully about the rise of Islam in the West, and the dangers that lie ahead as a result. Mark is uncommonly articulate, insightful, and perspicacious. These qualities are particularly evident in his understanding of the Islamic worldview and the intentions of Muslims vis-vis the West. You will surely find his message both riveting and shocking!
