Von Arthur Rothstein : The Depression Years as Photographed by Arthur Rothstein (Dover Pictorial Archives) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Depression Years as Photographed by Arthur Rothstein (Dover Pictorial Archives):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. contains some good source photos of the era Von Ein Kunde I used this book to research Depression era clothing for a play and found the photos really intriguing and useful. I only wish there had been about 3 times more of them.

Kurzbeschreibung Outstanding 1930s photos: famous dust storm photo, ragged children, the unemployed, much more. 120 photographs. Captions.
