It's old but good Von Social Des I know that this book has been written a long time ago and the plot sometimes reminds you rather abruptly of that fact. Nevertheless, this book is a classic in my eyes. The characters are only roughly drawn and the dialogues are not really elaborate. But in the same way the dirty dozen grows into a unit, the reader gets hooked by the story line. I can recommend this book to everyone who enjoys a good read which is thrilling and catching. So, enjoy a classic once in a while.

Kurzbeschreibung The Dirty Dozen is a classic that survived the circumstances that made it possible, yet alone keeps those circumstances alive. The orders to Captain John Reisman were to select twelve General Prisoners convicted by courts-martial and doomed to be executed or serve lengthy prison terms for murder, rape, robbery and other crimes of violence, and to train and qualify them in as much of the clever and dirty business of behind-the-lines operations as they could absorb in a brief time; then to deliver them secretly onto the European mainland just prior to D-day, to wreak havoc upon segments and personnel of the Nazi war machine. **Werbetext** The story of a daring mission carried out by 12 army convicts, made famous by the film of the same name. **Kurzbeschreibung** The Dirty Dozen is a classic that survived the circumstances that made it possible, yet alone keeps those circumstances alive.
