Von Robert Ballantyne : The Dog Crusoe and His Master (Annotated) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dog Crusoe and His Master (Annotated) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein Kindheitsbuch ist mir wieder in die Hnde gefallenVon David EggelingAls 13-Jhriger habe ich R.M.Ballantyne mit

Vorliebe gelesen. Er schreibt fr Buben, aber auch die Lektre nach so vielen Jahren hat mir enorm viel Freude bereitet.

KurzbeschreibungWho doesn't like a story that involves a great dog and his young master and friends? In this book you will share their action packed journey and adventures as they wander through the Western prairies with a mission to bring peace between the white population and the assorted Indian tribes. They face many perils and become heroes many times over.KurzbeschreibungWho doesn't like a story that involves a great dog and his young master and friends? In this book you will share their action packed journey and adventures as they wander through the Western prairies with a mission to bring peace between the white population and the assorted Indian tribes. They face many perils and become heroes many times over.SynopsisThe dog Crusoe was once a pup. Now do not, courteous reader, toss your head contemptuously, and exclaim, "Of course he was; I could have told you that." You know very well that you have often seen a man above six feet high, broad and powerful as a lion, with a bronzed shaggy visage and the stern glance of an eagle, of whom you have said, or thought, or heard others say, "It is scarcely possible to believe that such a man was once a squalling baby." If you had seen our hero in all the strength and majesty of full-grown doghood, you would have experienced a vague sort of surprise had we told you-as we now repeat-that the dog Crusoe was once a pup-a soft, round, sprawling, squeaking pup, as fat as a tallow candle, and as blind as a bat.
