KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Cute little book for a nice Hanukah presentVon Ein KundeThis is a small book (3 1/4 x 4 inches). It is almost a type of ornamental book with glossy pages. It also has a nice star of david connected as a book marker. It has songs and a

recipe following each night of Hanukah. A nice gift for a teenager or younger.
