Von Alexander Hamilton, John Jay, James Madison : The Federalist: A Commentary on the Constitution of the United States (Modern Library Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Federalist: A Commentary on the Constitution of the United States (Modern Library

Classics):

**Kurzbeschreibung**The series of essays that comprise *The Federalist* constitutes one of the key texts of the American Revolution and the democratic system created in the wake of independence. Written in 1787 and 1788 by Alexander Hamilton, James Madison, and John Jay to promote the ratification of the proposed Constitution, these papers stand as perhaps the most eloquent testimonial to democracy that exists. They describe the ideas behind the American system of government: the separation of powers; the organization of Congress; the respective positions of the executive, legislative, and judiciary; and much more. *The Federalist* remains essential reading for anyone interested in politics and government, and indeed for anyone seeking a foundational statement about democracy and America. This new edition of *The Federalist* is edited by Robert Scigliano, a professor in the political science department at Boston College. His substantive Introduction sheds clarifying new light on the historical context and meaning of *The Federalist*. Scigliano also provides a fresh and definitive analysis of the disputed authorship of several sections of this crucial work. From the Hardcover edition. From *Library Journal* The work known as *The Federalist* was initially published as newspaper installments throughout 1787 and 1788. The "Gideon" edition was published in 1818 and includes corrections to earlier editions by James Madison and Hamilton. This version includes those texts plus a new introduction, notes, a glossary, and the complete Articles of Confederation, Declaration of Independence, and U.S. Constitution with cross references. A high-quality, scholarly edition for a great price. Copyright 2001 Reed Business Information, Inc. **Pressestimmen** "A high-quality, scholarly edition for a great price."
