Von Steven Runciman : The First Crusade before purchasing it in order to gage whether or not it would be worth my time, and all praised The First Crusade:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. down to earth description of motives and movesVon mathilde de gardinThis Canto abridged version gives in nearly 200 pages

a good account of the motives of the "west" to start the crusades, the reasons why the Byzantines agreed, the very individual human motives of the kings, popes, clergyman, nobles, and poor. It also spells out what it takes to get (mostly on foot) from France to Jerusalem, with a large mass of poorly prepared people. A fascinating account. If you have romantic ideas about the crusades they will have been replaced by solid facts out of the everyday crusaders lives at the end of this book. You'll have a better grasp of this era as a whole, and the place of the crusades in it. Sometimes there are more scholarly details offered than I really need in an abridged version. But it still is a good read, that offers you the flavor, the look and feel, of the past. 0 von 0 Kunden fanden die folgende Rezension hilfreich. This book gives a great account of the Crusades Von Ein Kunde For those interested in secondary readings on the Crusades without the hassle of searching for books by Anna Comnena or William of Tyre, this book is for you. Runciman, a Cambridge professor, does an excellent job of ploughing through the facts and inconsistencies of William of Tyre, Anna Comnena, and other historians of that time period! I highly recommend you reading the other 2 volumes as well! 0 von 0 Kunden fanden die folgende Rezension hilfreich. I learned so much and it was fun doing it Von Docu2001 His writing is so engaging that you forget you are learning something as you follow his story. He is a master.

Kurzbeschreibung, first published in 2005, is justly acclaimed as the most complete and fascinating account of the historic journey to save the Holy Land from the infidel. Pressestimmen 'This is one of history's most extraordinary episodes made extraordinarily real. Written by an expert blessed with lucidity and styles a story that has everything.' The Church Times 'It reads magnificently as an example of sustained and intelligent narrative it could hardly be bettered. Sir Steven's great achievement was to make a complicated subject appear simple and then to write it up beautifully No one is likely to surpass Sir Steven's powers of synthesis or the masterly way he writes.' History Today 'This abridgement, first published in 1980 has kept all the essential information and ease of style which marked the larger version.' Contemporary sber das Produkt This book is justly acclaimed as the most complete and fascinating account of the historic journey to save the Holy Land from the infidel. This abridgment makes accessible to a wider readership one of the most compelling historical narratives.
