Von Walter G. Winslow : The Fleet the Gods Forgot: The U.S. Asiatic Fleet in World War II (Bluejacket Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Fleet the Gods Forgot: The U.S. Asiatic Fleet in World War II (Bluejacket Books):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Concise history of the US Asiatic Fleet after Pearl HarborVon Ein KundeThis is a haunting and phenomenal story of the rusted

and forgotten US Asiatic Fleet during the early days of the war. The book is detailed and chilling, a complete chronology of how these men were left alone on old destroyers and cruisers to face complete annihilation against vastly superior Japanese equipment and tactics. It is a depressing read, but a must for anyone interested in all the details of US naval ops in the part of the war we lost.0 von 0 Kunden fanden die folgende Rezension hilfreich. Several short stories about those who gave their livesVon Ein KundeThis was truly an outstanding book. It's filled with short stories about the few victories and many defeats suffered during the first few months of the war. It tells of how a few heroic men made their stand alone against a vastly superior enemy. We have learned and appreciated all of the successes and heroes from this war, but this book shows us how we can learn and appreciate from the real lives of men that history has largely forgotten.0 von 0 Kunden fanden die folgende Rezension hilfreich. A GOOD READVon Ein KundeTHIS BOOK BREAKS DOWN THE FLEET IN THE PHILIPPINES TO ITS DIFFERENT COMPONENT PARTS(CRUISERS,PT BOATS,SUBMARINES,MINESWEEPERS ETC.)AND THEN TELLS THE STORY OF HOW THE CREWS OF THESE SHIPS DEAL WITH THE HOPELESS SITUATION THEY FOUND THEMSELVES IN AFTER PEARL HARBOR. ITS A GOOD READ

KurzbeschreibungThe heroic story of the U.S. Asiatic Fleet at the outbreak of World War II and their disastrous encounter with vastly superior Japanese forces.
