auch in Polen hnlich gelagerte Flle / Menschen gab, ist wichtig zu wissen

Kurzbeschreibung True story from the major motion picture "In Darkness," official 2012 Academy Award nominee for Best Foreign Language Film. In 1943, with Lvov's 150,000 Jews having been exiled, killed, or forced into ghettos and facing extermination, a group of Polish Jews daringly sought refuge in the city's sewer system. The last surviving member of this group, Krystyna Chiger, shares one of the most intimate, harrowing and ultimately triumphant tales of survival to emerge from the Holocaust. The Girl in the Green Sweater is Chiger's harrowing first-person account of the fourteen months she spent with her family in the fetid, underground sewers of Lvov. The Girl in the Green Sweater is also the story of Leopold Socha, the group's unlikely savior. A Polish Catholic and former thief, Socha risked his life to help Chiger's underground family survive, bringing them food, medicine, and supplies. A moving memoir of a desperate escape and life under unimaginable circumstances, The Girl in the Green Sweater is ultimately a tale of intimate survival, friendship, and redemption.

Pressestimmen "Despite the substantial number of Holocaust memoirs that have been published, "The Girl in the Green Sweater" manages to touch us in an unexpected way, revealing highs and lows in man's capacity for evil, as well his capacity to love life and other human beings. Through the eyes of the child that Krystyna Chiger was in Lvov, Poland in 1939 we see the whole moral universe." -- Naomi Ragen, author of "The Saturday Wife" and "The Covenant" "[A] gripping memoir. . . Captures both tragic events and beautiful images that continue to haunt the author after more than 60 years." -- "Kirkus" "Told from a precocious child's point of view. . . Chiger's seven-year-old cypher possesses a self-awareness that springs from her inner and outer turmoil, capturing well the despair and terror of a life in hiding. With a powerful story and a keen voice, Chiger's Holocaust survivor's tale is a worthy and memorable addition to the canon." -- "Publishers Weekly" "An important addition to Holocaust literature that vividly describes a harrowing childhood faced with enormous strength and courage." -- Michael Bart, author of "Until Our Last Breath: A Holocaust Story of Love and Partisan Resistance" Despite the substantial number of Holocaust memoirs that have been published, "The Girl in the Green Sweater" manages to touch us in an unexpected way, revealing highs and lows in man's capacity for evil, as well his capacity to love life and other human beings.
