Von Dan DeHaan : The God You Can Know before purchasing it in order to gage whether or not it would be worth my time, and all praised The God You Can Know:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Answers the question Who is God and why you need to know HimVon Kelly HudsonI am reading the book for the fourth time in seven years. Reading the book made me realize that it is more important to know "who God is" than "How a Christian is supposed to live" because if you really know God, you can't help but live the way He wants you to.The book will always remain in my reread library because each time through has provided additional insight into "How to

please the Father"0 von 0 Kunden fanden die folgende Rezension hilfreich. On PointVon Pat CookseyI knew the author back in the 70's and 80's and find the book to be consistant with his life and practice. His emphasis on the knowledge of God is both biblical and well expressed. I found the book to be spiritually stimulating and awakening afresh the desire to meditate on the Atributes of God and to pursue a deeper knowledge of Him. The book is well rounded balancing truth with application. A must for any serious Christian to read

KurzbeschreibungQuestions concerning various topics such as knowing God's will, assurance of salvation, home life, and even dating relationships result from a lack in comprehending the Person of God the Father. Dan DeHaan puts God the Father back into the Christian perspective of what it means to live this way of life called Christianity in The God You Can Know. Burdened by contemporary Christians' lack of understanding of the nature of Almighty God, he wrote this book to help readers become intimate with God by studying His characters and attributes.
