Von Ellen White : The Great Controversy (Illustrated and Annotated) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Great Controversy (Illustrated and Annotated) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. What really goes on in the world?Von Ein KundeAs a History major in a non-SDA school, I have read many books regarding the dark ages and world history. Read American Freedom and Catholic Power by Paul Blanshard. You will see a close parallel. The Great Controversy does show you what is happening in the religious and the secular world. Just look what happened a few days ago! The pope asked the world for forgiveness of their past sins!Now this is a man who is supposed be God on earth, INFALLIBLE. And he is asking the world for forgiveness?Page 571-- "The Roman Church now presents a fair front to the world, covering with apologies her record of horrible cruelties. She has clothed herself in Christlike garments; but she is unchanged. Every principle of the papacy that existed in past ages exists today. The doctrines devised in the darkest ages are still held. Let none deceive themselves. The papacy that Protestants are now so ready to honor is the same that ruled the world in the days of the Reformation, when men of God stood up, at the peril of their lives, to expose her iniquity."What are the churches of today doing? They are stumbling over themselves to become associated with the Roman Church.A few years back Harry Truman tried to appoint an ambassador to The Vatican, and was almost run out of office. But, Ron Reagan did it and there was very little outcry from the Protestant churches.The World Lutheran Church just signed a concordat with the Vatican that says that Luther was wrong! The Anglicans have done a similar agreement!One review says that she plagerized. If that is true than someone else said that these things would happen; where do they say exactly what she has said?She said there would be a rise in spiritualism, that the churches would be teaching that the dead go to heaven or hell at their death. This book, based on these two facts alone shows that this writer to be a prophets! I am amazed at the information she has presented in this book and when I read a newspaper and compare, it is almost as if she wrote the bylines.The newspapers are reading like this book and people are missing it!2 von 2 Kunden fanden die folgende Rezension hilfreich. Excellent BookVon Ein KundeI laugh when I read the previous reviews that gave this book one star. Their closed-mindedness is sad, and it's unfortunate that they just can't enjoy the book for what it is.As a Seventh-day Adventist I find this book very helpful (although the only thing I base my beliefs on is the Bible itself.) Mrs. White illuminates the stories in the Bible, and to answer the previous reviews, even she admitted that she borrowed ideas from others and she knew that her writing was not infallible.This book is, all in all, a story of hope and love that all goes back to the God of Love.2 von 2 Kunden fanden die folgende Rezension hilfreich. The Great Controversy (About God's Character)Von MadelynFor the first time in my life I've been forced to question EXACTLY what I believe. This book is thought provoking and spiritually stimulating. What it really boils down to, is the controversy about who God is. After reading this book I know God isn't the unjust, vengeful person most people make him out to be. It was well worth the money.

KurzbeschreibungThe Great Controversy is a novel by Ellen G. White, one of the founders of the Seventh-day Adventist Church and held in esteem as a prophetess of God among Seventh-day Adventist members. In it, White describes the "Great Controversy theme" between Jesus and Satan, as played out over the millennia from its start in heaven, to its final end when the world is destroyed and recreated. Regarding the reason for writing the book, the author reported, "In this vision at Lovett's Grove (in 1858), most of the matter of the Great Controversy which I had seen ten years before, was repeated, and I was shown that I must write it out." The theme of the original small book was expanded first to a four-volume set of books (1870-1884) and then to a separate volume in 1888. The current, 1911 edition is also one of the five-volume Conflict of the Ages set. The 1884, 1888, and 1911 books incorporate historical data from other authors. Since 1957, the book has also been published under the title The Triumph of God's Love.This edition has been formatted for your Kindle, with an active table of contents. It has also been illustrated and annotated, with additional information about the book and its author, including an overview, plot, publishing and distribution, critics, versions, other books in the series, and biographical information.KurzbeschreibungThe Great Controversy is a novel by Ellen G.
