Von Henry Drummond : The Greatest Thing in the World (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Greatest Thing in the World (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. A must-read for this century even more than the previous one Von Ein Kunde This book was a gift to me as a Sunday School

Teacher about 1969. I have read portions of it at different times for 30 years. This year I started reading in it again and cannot believe how fresh and exciting this message still is. It was like renewing an old friendship. The truth contained in this tiny book has spanned a century with no hint of ever waning. I recommend it fervently to anyone searching for meaning in today's culture. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Timeless practical advice for here and now Von Rosemary Thornton By the time I had read this book, I'd already read countless books and essays on religion and truth and love. This book offered me something extra - and opened my eyes to a wonderful new truth - mainly this - that love is enough. Never having been trained in the social graces, I always felt like a bit of a clutz in social settings such as dinner parties and even simple get-togethers. Drummond makes the point that if you have love - if you can feel and express love - you have it all. So instead of focusing on which fork to use for the shrimp and salad, I started focusing on how much God loved me and everyone around me. And that little simple truth enabled me to feel more at ease in every circumstance and in every situation. Drummond's book is about grace, love, truth, Universal spiritual laws - it's got it all. From little things (like social graces) to big things (like loving our fellow man - irrespective of his lot in life) this book will change your life. This should be required reading for everyone. 1 von 1 Kunden fanden die folgende Rezension hilfreich. One of Dr. Bob's favorites Von Ein Kunde This book along with "The Sermon on the Mount" by Emmit Fox helped inspire the movement we know today as Alcoholics Anonymous. I cherish this book for its beauty and simplicity along with the utter clarity of mind with which it is delivered. Drummond puts forth a message which remains timeless. This book is and will remain a constant companion throughout my life.

Kurzbeschreibung The need for genuine Christian love is greater than ever and this beautiful classic will show you just how to share God's love with your world. When Henry Drummond preached on The Greatest Thing in the World, the great evangelist Dwight L. Moody said he had never heard anything so beautiful. This beloved classic can teach you the art of living and loving abundantly, as Christ intended and inspire you to begin to share God's love through unselfish acts of kindness.
